Merchandising Display

Southwire Company, LLC has put together a selection of top moving Electrical and Lighting Products to help you better serve your customers and boost your sales. The merchandising rack boasts a streamlined design with sleek signage resulting in a display that will readily enhance any showroom or counter area.

Display features:

- Compact size allows for adjustments in a variety of showroom and counter areas
- Casters allow for easy movability and lock in place to secure the display rack
- Double-sided rack helps to maximize display area
- Adjustable shelf enables flexibility for merchandising display options
- Removable hanging hooks allow for various display configurations
- Sleek signage identifies brand
